Engineering

Elevated technology

Virtually noiseless operation, dual sensor technology for jam-free performance and intuitive visual cues for touch-free use.

ICON relies on Kimberly-Clark Professional's (xx) history in dispenser innovation to deliver our most technologically advanced system available today.

Paper Towel Dispenser

Jam-free direct-drive technology

99.9% jam-free proven dispensing performance for more than 1,000,000+ dispenses – that's enough dispenses for approximately 8 years.

Paper Towel Dispenser

Whisper quiet dispensing

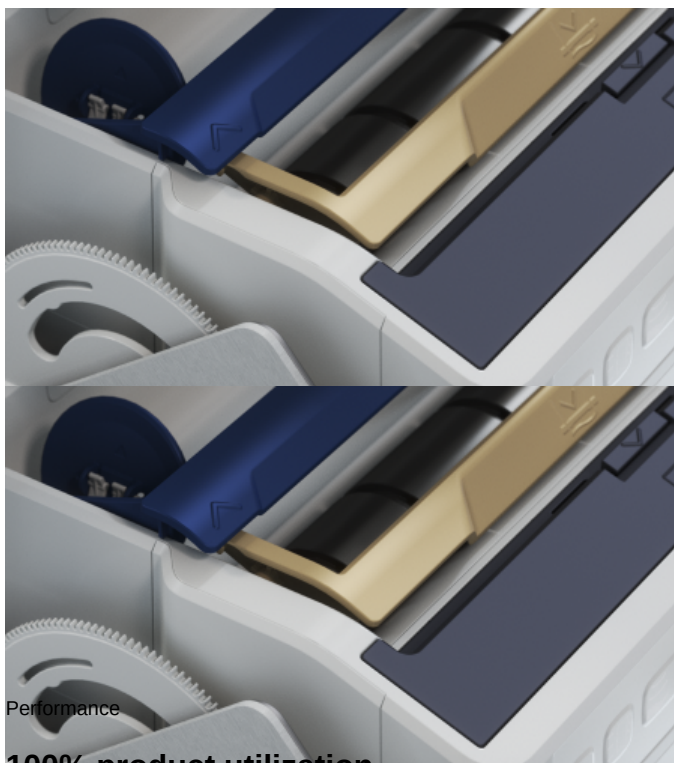

Minimize noise disruptions with up to 50% quieter dispensing.

Paper Towel Dispenser

Sensors with sensibility

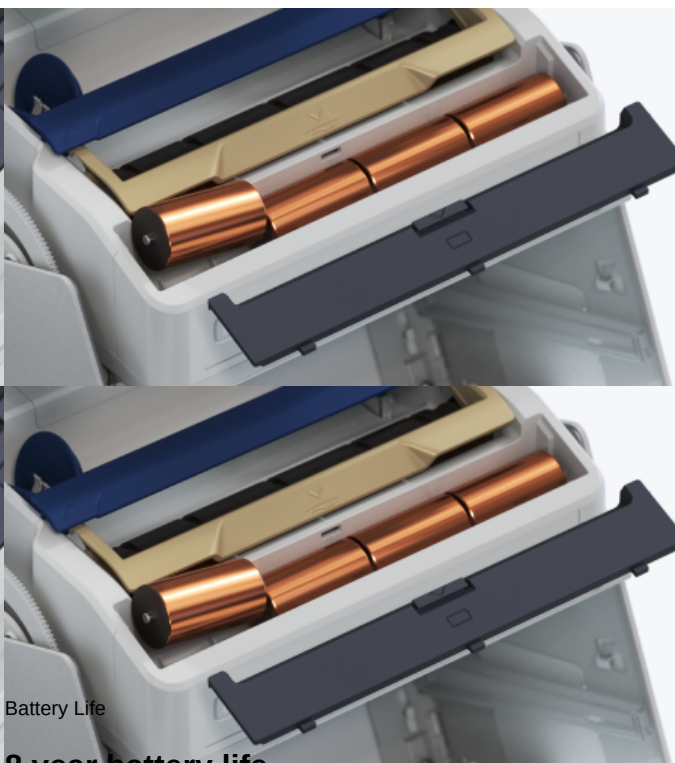

Prevent jams before they happen so that towels are always available due to a patented dual sensor design.

Performance

100% product utilization

Get more out of your paper towel supply with ICON's patented Direct Drive™ automatic dispensing system.

Battery Life

8 year battery life

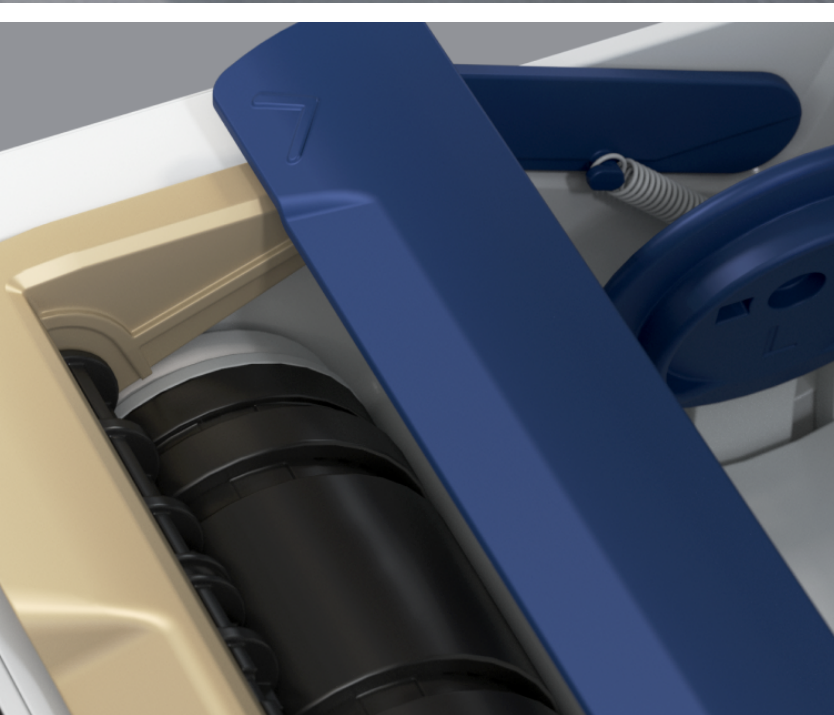

A single set of batteries in the ICON™ hand towel dispenser can last up to 8 years or up to 250,000 dispenses*
